

Luis Miguel Mendoza

Palermo, CABA, Argentina - lmmg1701@gmail.com - www.linkedin.com/in/luismendoza23

Teamwork - Adaptability - Problem-solving

PROFESSIONAL SUMMARY

Passionate front-end developer, proactive and collaborative with the ability to work in teams and understand different perspectives. Self-taught, passionate, and goal-oriented, focused on achieving objectives and ensuring customer satisfaction. Expertise with:

HTML, CSS, and JavaScript: Proficient in creating responsive and visually appealing web interfaces.

TypeScript: Familiar with this statically typed superset of JavaScript, which enhances code quality and maintainability.

Tailwind CSS: Skilled in using utility-first CSS frameworks to streamline styling and improve development efficiency.

React: Experienced in building dynamic user interfaces and managing state using React components.

Node.js: Knowledgeable about server-side JavaScript and creating APIs.

Next.js: Comfortable with server-side rendering and building efficient React applications.

Git: Proficient in version control, collaborating with teams, and managing code repositories.
